2025 INCOME TAX CAMPAIGN

The 2025 income tax campaign has begun. At Ballemar Consultores, we want you to forget about complications this year and ensure you claim all the deductions you are entitled to.

What information do we need to get started? To analyze your case and guarantee the best possible outcome for your tax return, we need the following documentation:

Identification and Family Unit:

National Identity Document (DNI) for both sides of all account holders.
DNI for all family members (including dependent children).
Current marital status.

In case of divorce with children: Child support payments must be specified (this must be through the courts) and the exact amount.
Spouse's Income: If your spouse filed an individual tax return, please send us their return for the 2023/24 tax year.

Housing and Properties:

Main Residence: Full address and corresponding cadastral reference.

Rentals (Tenant): If you rent, we will need the landlord's ID.
Rentals (Landlord): Specify if you have any rental properties, indicating the income received and all associated expenses.
Property Sales: Indicate if any property sales were made during 2024.

Financial Information:

Previous Year's Income Tax Return: Copy of the tax return filed last year (if applicable).
IBAN: Bank account number for payment or refund.
