

Vehicle Transfer Quote

The purchase or sale of a car or motorcycle is considered by the DGT as a vehicle transfer. Changing the owner of a vehicle is also a vehicle transfer with the corresponding taxes.

At **Ballemar Casares-Manilva** we carry out vehicle transfers in a hybrid way, the DGT requires original documentation although the processing is electronic.

To calculate the price of the transfer, which we give in less than 24 hours, we need:

- Photo of the technical sheet
- Photo of the registration card

The quote has a fee of 5€, it will be deducted from the final quote once it is accepted.
